PROFILE

Experienced Developer with 6+ years specializing in Shopify and WordPress website development. Proficient in theme customization, plugin integration, responsive design, and troubleshooting. Skilled in creating user-friendly, visually appealing websites tailored to specific client needs. Dedicated to staying updated with industry trends to deliver innovative, high-quality solutions that exceed expectations and drive business growth.

EXPERIENCE

Cypherox Technologies, Rajkot — Senior Software Engineer

May 2025 - Present

- **Shopify Theme Development & Liquid Templates:** Developed custom, responsive Shopify themes using Liquid and Online Store 2.0 for client projects at Cypherox Technologies.
- **Responsive Development:** Built mobile-first storefronts to deliver seamless experiences across all devices.
- **Store Speed Optimization:** Improved Core Web Vitals by optimizing images, reducing LCP, and enhancing overall site performance.
- **Conversion Rate Optimization (CRO):** Implemented UI/UX improvements and optimized customer journeys to increase conversions.
- **Shopify App Development:** Developed custom Shopify apps and integrated third-party solutions using Shopify APIs.
- **API Integration:** Connected Shopify stores with external services using Admin API, Storefront API, and webhooks.
- **Custom Features & Functionality:** Built custom sections, blocks, metafields, and advanced Shopify functionality.
- **UI/UX Implementation:** Converted Figma designs into pixel-perfect, responsive Shopify storefronts.

Teqto Infotech, Rajkot — Web Developer

May 2024 - Feb 2025

- **Shopify Theme Development & Liquid Templates:** Gaining expertise in Shopify theme development and Liquid templates to craft custom, responsive, and visually appealing online stores.
- **Store Speed Optimization:** Enhancing performance with advanced techniques, including image optimization and reducing LCP (Largest Contentful Paint) for a faster, smoother shopping experience.

Codebuddy's, Rajkot — Web Developer

March 2023 - March 2024

- **Shopify Theme Development and Liquid Templates:** Acquiring in-depth knowledge in Shopify theme building and liquid templates to create tailored, responsive, and visually stunning online stores.
- **Proficient Project Management in Shopify:** Demonstrated expertise in project management within the Shopify ecosystem, ensuring seamless execution, timely delivery, and optimal performance.
- **Mentorship and Training for New Entrants:** Providing structured and insightful training sessions to new trainees, imparting knowledge and skills essential for navigating Shopify's complexities and efficiently managing online store development projects.

TheItWebCare, Rajkot — Web Developer

December 2020 - February 2023

- Advanced Website Development: Proficient in WordPress, Shopify, and Opencart, employing the latest technologies to build innovative and responsive websites.
- Expert Content Creation: Skilled in crafting engaging and informative content tailored specifically for website development projects.
- Holistic Development Approach: Strong foundation in logic building, thorough requirement gathering, and proficient code development to ensure comprehensive and successful website creation.

First Rate Shopper , Rajkot — SEO Analyst & Content Writer

September 2020 - November 2020

- **Website Analysis:** Conduct a comprehensive review of the website's performance and structure, focusing on SEO strategies to improve search engine rankings.
- **SEO Implementation:** Execute SEO techniques and optimizations to enhance the website's visibility and ranking on search engines, utilizing targeted keywords and enhancing site architecture.
- **Product-Oriented Content Creation:** Create captivating, product-centric content to engage the audience and enhance sales on the website
